

The TORO logo is displayed in white, bold, sans-serif capital letters inside a red rounded square.

TIMECUTTER® HD

ZERO TURN MOWER

A red circular badge with a white border containing the word "NEW!" in white, bold, sans-serif capital letters.

EXCELLENT HANDLING AND MANOEUVRABILITY

Large rear tyres ensure better handling and manoeuvrability, plus a smoother ride.

A thin white vertical line with a small white circle at the bottom, pointing from the text to the large rear tyre of the mower.A thin white horizontal line with a small white circle at the left end, pointing from the text to the front tunnel of the mower.

SUPERIOR CUTTING PERFORMANCE

The front tunnel design and high blade tip speed create a vacuum that lifts grass straight up for a crisp, clean cut and healthier garden.

FAST. COMFORTABLE. HEAVY DUTY. YOU DESERVE IT ALL.

The new TimeCutter® HD zero-turn mower does more than cut grass to perfection. It can also cut your mowing time almost in half*. But when you are bouncing around on rough terrain, speed won't do you any good without superior comfort to match. The smooth MyRIDE® Suspension System** features a suspended operator platform that cushions you from bumps and vibrations, so you can be more productive and stay comfortable.

Price

MyRIDE® models (74866 & 74867) not currently available.

MYRIDE® SUSPENSION SYSTEM**

Controls the motion of the operator platform, providing a smoother ride than a standard suspension seat.

HEAVY-DUTY CONSTRUCTION

This unbeatable combination of features is designed for durability in the toughest conditions. It all adds up to a mower that's built to last.

SMART SPEED® WITH TOW MODE

Choose from three ground speed ranges for optimal performance. Use low **Trim** range for closer trimming, medium **Tow** range for towing attachments, or high **Mow** range to mow large open areas.

*Time savings are from 2008-2012 survey results for Toro residential zero-turn mowers, as reported by owners.

**Available on select models. Not currently available.

†Compared to regular 11-gauge steel decks.
